

## AS-Interface module mounting base U-G2FF

AS-Interface module mounting base for connection to flat cable (AS-Interface and external auxiliary power)

### Function

The base U-G1PP allows to connect slaves with additional supply (EEMS) to ASInterface. It has one connection type to AS-Interface and an other to the auxiliary power, which are not interconnected. The cable bushings are designed for round cables, they can be connected by screw terminals.

### Dimensions

### Technical Data

| Ambient conditions        |   |
|---------------------------|---|
| Ambient temperature       | -25 ... 60 °C (-13 ... 140 °F)  |
| Storage temperature       | -25 ... 85 °C (-13 ... 185 °F)  |
| Mechanical specifications |   |
| Degree of protection      | IP67 according to EN 60529<br>(only in connection with module or cover) |
| Connection                | AS-Interface flat cable   |
| Material                  |   |
| Housing                   | PBT   |
| Dimensions                | about 80, 45, 34 mm (L, W, H)   |
