## GA18-S/GK18-S/59/161/166

10.4

13.1

# **Model Number**

GA18-S/GK18-S/59/161/166

Thru-beam sensor

Plastic connector Micro AC 1/2", 4-pin

#### **Features**

- Efficient Line in a short M18 plastic • housing for standard applications
- Very high detection range ٠
- 4 LEDs indicator for 360° visibility •
- Sidelookerversion
- Universal usage at different power ٠ supplies

### **Product information**

The GLV/GLK18 series sensors help improve the efficiency of machines and systems. The design of the M18 plastic housing, the connection technology, and sensor properties are highly standardized. Concentrating on the key sensor requirements has produced a robust and reliable product series for DC and AC/DC voltage systems without any overengineering. The mounting set included in the scope of delivery and the optimized potentiometer design ensure fast assembly and easy configuration.

Pinout
